

## Six Hundred Enjoy Hilarious Time at Beaver Club Picnic

Good Weather, Full Sports Programme and Plentiful Refreshments Make Annual Outing at Shawnigan Lake One of Most Successful

FAIR weather, warm swimming and lots of good refreshments made a perfect picnic combination for the annual outing of the Beaver Club, social organization of the Hudson's Bay Company store, held at Shawnigan Lake yesterday. Over 600 persons, including staff members, their families and friends, participated in one of the most successful picnics the club has held.

Through the courtesy of the management, the store closed for the day at 12 o'clock, and nearly every member of the store's large staff was on hand at the E. & N. Railway depot before 1:30 p.m. to catch the special eight-car train for Shawnigan Lake. They were accompanied by hosts of children.

### SEQUENCE OF FUN

From the moment the train pulled out of the station until it arrived back shortly before 9:30 p.m., the day was a long sequence of fun and hilarity. A carefully-planned programme made it possible for all who wished to compete in the sports, and excellent prizes rewarded the winners. For those who preferred to watch, a cove of Douglas fir and red cedar at the back of the playing field provided grandstand seats in the shade throughout the day.

Refreshments in unlimited quantity were available all day long, and quantities of ice cream and soft drinks were distributed to a thrifty crowd. Supper at 5:30 was provided by the Hudson's Bay restaurant staff, in charge of B. L. Bond.

Highlight of the sports programme was a challenge football game in the evening. A pick-up team, captained by James McGarry, beat a team led by Kay Miles. Twelve to ten in favor of McGarry's men was accepted as the official score.

Another interesting event was the men's tug-o-war, for which a prize of \$8 in scrip was donated by A. J. Watson, store manager. The delivery department team, captained by L. Ben, took the prize for the pull.

### SPORTS WINNERS

Winners in the afternoon sports events follow: Men's sack race, Donald Fish; ladies' sack race, Kay Miles; department managers' race, R. A. Park; boys' race, 6 to 9 years, Peter Thornber; girls' race, 6 to 9 years, Marilyn Gray, wheelbarrow race, Kay Miles and Donald Fish.

## Study Primary Education Techniques

One of the popular courses of the Summer School of Education, which comes to a close this week, is that in primary education conducted by Miss Geraldine Whitaker, of the Lord Kitchener School, Vancouver, who is shown at the piano in the above picture, while some of the children demonstrate. Fifty teachers have been taking this particular class in "Primary Observation and Laboratory." In this course the modern techniques of primary education have been demonstrated with a class of Grades I and II pupils, twelve children in each class. In Grade I, none of the children had ever previously attended school. The course is an attempt to train teachers to investigate the type of child and prescribe the ideal form of class-treatment for each.

### Dog Comes to Aid of Mother Fighting a Bear

CLINTWOOD, Va., Aug. 2 (AP)—"Boss," a shepherd dog, routed an almost full-grown bear today after the beast had severely clawed a mountain mother who fought to protect a baby in her arms and another child at her heels. The bear attacked Mrs. Dollie May Barker near her home in the southwestern Virginia hill country. The woman thrust her three-year-old son into a rain barrel and fought the animal with a stick, while holding the baby in her arms.

### QUIET SWIM NOT AS ANTICIPATED

Two Nude Young Men Unintentionally Ride Through City on Log

ST. CATHARINES, Ont., Aug. 2 (AP)—Gerald Corbiere and Leonard Long, both aged twenty, weren't refugees from a nudist colony when rescued off a log in the old Welland Canal, almost in the heart of St. Catharines, today.

It seems they went for a quiet swim in Twelve Mile Creek—sans bathing trunks—and were playing on a log when it broke loose and started downstream. Neither was a strong enough swimmer to make shore.

They floated under Burgoyne Bridge, where traffic snarled as pedestrians and motorists gazed upon them; through an exclusive residential section of the city and into the industrial district. There a canal gate slowed their progress, and police, thoughtfully carrying blankets, fished them out.

### MUST FIGHT TO SURVIVE

it (the question of Canada's contribution to Empire defence) is no longer a question of politics. It is no longer a question of race against race. . . . It is now the question of the preservation of the most precious thing that has been given this country by the two races that govern it—freedom.

Speaking of the rebuilding of the Canadian air force, the air marshal said: "Wonderful results have been accomplished and new equipment is being received almost daily."

Canada, he added, has a tremendous reserve of pilots. During the war they appeared like "daedala in a lawn," and since then experienced civilian and military pilots have been produced.

"We need have no fear on this score in case of war or emergency."

ORDERS FOR AIRCRAFT  
In a brief reference to airplane manufacturing in Canada he said: "Many further orders for aircraft we expect will shortly be placed in this country. He did not elaborate on the remark."

Air Marshal Bishop has been in British Columbia since Saturday when he arrived from the East in the course of an inspection of Western air defences.

### Far-Flying Duck Falls to the Gun

KINGSVILLE, Ont., Aug. 2 (AP)—Jack Miner, Kingsville, naturalist, received word today from Dr. George Salazar that he had shot a duck at Barranquilla, Colombia, with Miner's name and a band on the duck's leg. The duck was banded here in October, 1938. Miner has banded thousands of birds to study their migration routes, but this he said was the first report from South America.

SHIP STRIKE  
HURTS TRADEAgent Hopes Puget Sound  
Dispute Will Be Settled  
At Early Date

The decision of the Inland Boatmen's Union to call a strike at midnight on Tuesday severed Black Ball Line connections between Port Angeles and Victoria, Sidney and Anacortes, and stopped operation of the Inland Boatmen's Union route from Seattle to Victoria.

A. C. Suckley, local agent for the Puget Sound Navigation Company and Black Ball Line, was hopeful last night that the dispute would be settled this week. Mr. Suckley was busy yesterday refunding fare money to tourists and arranging transfers to other lines.

George L. Warren, publicity commissioner, stated that the Publicity Bureau was deeply concerned over the possible loss of tourist traffic by both local and up-island hotels, auto camps and summer resorts. He hoped the strike would be speedily settled by negotiations at Seattle.

In the meantime, the Inland Boatmen's Union stated plans were being made for one round ferry trip daily between Sidney, the San Juan Islands and Anacortes, because the islands would otherwise be isolated. The Fletcher Bay-Brownsville ferry, between the west shore of Bainbridge Island and the Kitsap County mainland, will also be operated.

## Fast Plane Holds King's Cup Record

Skimming the cloud tops, a Mew Gull piloted by Captain E. W. Percival, designer and constructor of these sporting aircraft, gives a vivid impression of its rocket streamlining. A Mew Gull holds the King's Cup record with an average speed of 238.7 miles per hour over a course of 653 miles. The Gull is powered with a Gipsy 205-horsepower engine, and has a range of 1,350 miles at 230 miles per hour.

muters—a strike tied up many Puget Sound ferries today, but an early settlement, perhaps by the week-end, was expected.

In a mass protest, 200 Vashon Island residents, armed with clubs, axe handles and rocks, attempted to seize the ferry Vashon when she arrived on her final trip near midnight. Deputy Sheriff F. J. Shattuck warned them to lay down their weapons but thirty got aboard before the ferry hurriedly pulled out. The residents protested that cessation of the service would prevent marketing the peach crop.

Capt. John M. Fox, secretary of the Inland Boatmen's Union, said today he believed an offer the union made last night in a meeting with Governor Clarence D. Martin and W. T. Guerin, Federal mediator, would give a basis of a settlement soon. Governor Martin flew here from Spokane to attend.

Capt. Alex M. Peabody, president of the Puget Sound Navigation Company and the Kitsap County Transportation Company, the major lines affected, said he believed the demands were still "out of line" but he thought an agreement could be reached by the week-end. The strike affects 450 employees.

**GOVERNOR INTERESTED**  
Urging that the controversy "must be settled quickly," the Inland Boatmen's Union negotiating committee submitted directly to the Puget Sound Navigation Company, late today, its "peace terms" to settle the ferry strike.

The president of the Chamber of Commerce, W. Walter Williams, intervened in an effort to restore service, proposing that the ferries resume operations and that differences be submitted to an unbiased committee of five persons.

The union's proposal was almost identical with the one submitted last night by the negotiating committee to Governor Martin. It included one additional demand—an increase of 10 cents an hour in the overtime rate for deckhands and employees in the steward's department.

**MANY AFFECTED**  
The tie-up affects 10,000 Seattle commuters, including 2,000 employees of the Puget Sound Navy Yard at Bremerton. A committee of ferry users, representing communities affected by the strike, informed union leaders today that it would demand that Governor Martin force operation of the ferries.

A group headed by Edmund Stafford, chairman of the ferry Washington, of the Lake Washington Ferries, County Commissioner Jack Taylor ordered the county ferry slip immediately repaired. The union

BANKERS TO MAKE  
TRIP NEXT MONTH

Two Vessels to Bring 2,500 Members of American Association Here on Cruise

VANCOUVER, Aug. 1.—The sunlit waters of the Puget Sound and Gulf of Georgia will be used to highlight the Pacific Coast convention of the American Bankers' Association when 2,500 members in two specially chartered Canadian Pacific coastal vessels will sail between Seattle and Victoria and back on Tuesday, September 26.

From all over the United States as far east as the Atlantic Coast-line, bankers will converge on the busy American seaport for the four day convention between September 24 to 28, many of them from Eastern States traveling through Canada with sufficient time ahead to stop off at Banff and Lake Louise, Canada's scenic mountain resorts.

Leaving early on the morning of September 26, the two sturdy coastwise steamers, Princess Kathleen and Princess Marguerite will journey the eighty-one miles to British Columbia's capital city via Desolation Pass. Upon arrival in Victoria the 2,500 members will travel by bus to such points of interest as Butchart's Gardens, the most lovely suburban gardens and horticultural beauty spot on the American Continent; the Saanich Observatory, and along the flower-bedecked highway of the southern tip of Vancouver Island.

Returning to Victoria the huge party will take dinner in the grand Empress Hotel before embarking for the return journey to Seattle. Two special trains to accommodate bankers returning home from the convention will be operated by the Canadian Pacific Railway out of Vancouver for Chicago via North Portal at the conclusion of the convention.

## STAGE RAIDS ON GAMBLING SHIPS

Attempt Made to Halt Operations Of Boats Off Los Angeles County Beaches

LOS ANGELES, Aug. 2 (AP)—A battle of wits, wits and warrants raged offshore from Los Angeles

County ocean beaches last night in a drive of state and local authorities to stop operation of gambling ships.

Raiders boarded the Showboat and the Tango and arrested twelve men on each ship, described as dealers and other attaches. They were booked at the Long Beach police station on suspicion of conspiracy to violate gambling laws.

**PATRONS GO ASHORE**  
Fifty patrons of the two ships were sent ashore in water taxis.

More than 200 officers were reported engaged in the sorties, which the coast guard officially acknowledged it was "observing."

Several hundred patrons of the Rex were temporarily marooned because of the officers' activities and the ship's resistance. Steps of the Rex were barricaded with an iron mesh gate, while three heavy hoses played streams of water over-side.

Relatives of those marooned milled around Santa Monica docks.

## GRANTS MADE FOR EDUCATION

Commission Approves 616 Applications for Aid for Soldiers' Children

A total of 616 applications for grants under the Education of Soldiers' Dependent Children Act for the coming school year were considered at a meeting of the commission appointed to administer the act, held in the office of the Provincial Department of Education on Tuesday.

Of that number, thirty-six had to be rejected, as they did not meet the requirements of the act in the matter of residence, age, educational standing of the candidate, or financial need. Grants for 616 were approved.

The next meeting of the commission will be held a few days before the opening of the schools in September.

The commission was informed that the progress of students receiving aid continued to be very satisfactory. The act, it was pointed out, still made a very definite contribution in assisting students who would otherwise find it impossible to continue their high school studies.

"The rapid increase each year in the number of applicants makes the amount it is possible to allow each candidate somewhat limited, but even this is very acceptable to those who are in need of assistance," it was reported to the commission.

## NATIVE DAUGHTER CALLED BY DEATH

Mrs. Eleanor Venables Hussey, R.N., Was Nursing Sister Here And Overseas

Mrs. Eleanor Venables Hussey, R.N., native daughter and former nursing sister, died at the residence of her sister, Mrs. M. E. Morris, 780 Newport Avenue, on Tuesday. She was the youngest daughter of the late Captain Henry Berkeley Good and the late Mrs. Good.

Mrs. Hussey was a trained nursing sister of the Royal Jubilee Hospital and during the early part of the Great War was stationed in charge of the Equilmont Military Convalescent Home. Going overseas in 1917, Mrs. Hussey served as a nursing sister with the Canadian forces in England and for an extended period in France, being under fire in the bombing of her unit at Le Havre.

After the war, Mrs. Hussey took up residence in New York where she followed her profession until stricken last December by the illness which resulted in her death here.

The funeral will be held from Haywards B.C. Funeral Chapel this afternoon at 2 o'clock. Rev. F. L. Stephenson will officiate and interment will be in Royal Oak Burial Park.

## FERRY SUGGESTED TO BRIDGE ROUTE

American Engineers Report on Aerial Tour Over Proposed Highway Routes

VANCOUVER, Aug. 2 (CP)—An engineering member of the United States section of the British Columbia-Alaska Highway Commission yesterday suggested a ferry might be used to bridge 100 miles of the proposed 2,000-mile highway route.

James W. Carey, Seattle consulting engineer, and Donald MacDonaid, of Fairbanks, associate engineer of the commission, arrived here today by plane from the North after an aerial tour over various proposed routes for the road. They stayed here three hours before flying to Seattle.

Two other commission members, U.S. Representative Warren B. Magnuson of Seattle and Dr. Ernest Gruening of Washington, D.C., arrived here Monday night and left for Seattle a few hours later.

From an engineering standpoint there are no unsurmountable obstacles over the entire route as far as one can see from the air," Carey said.

"I see no reason why ferries could not be used to advantage on Stuart, Trembleur and Takla Lakes," he combined distance of over 100 miles.

The two engineers agree with recommendations of the local committee.

## PLAY-OFF BALL GAME TONIGHT

Laundrymen and Tiremen Meet in Second Game of Senior Series

Beaten 3-2 Tuesday evening when Lionel Bradley, laundrymen's first smacker, clouted a homer in the first session with two clubmates aboard. Manager Frank Shandley's Douglas Tire softballers must take tonight's play-off game with New Method Laundry to stay in the running for the bunting. The fixture will be played at Royal Athletic Park at 6:15 o'clock.

Smiling "Red" Palmer, fleet-footed outfielder and hurler, who caused the top-place Victoria Longhorns no end of trouble in league battles, will probably go to the slab tonight for the Tiremen. Palmer had considerable speed and a few

seasons ago was rated Victoria's top softball flinger.

Bill Buddell, second string pitcher in the New Method Laundry camp, will parade to the hillock for the laundrymen. Buddell has enjoyed a good season in regular competition and Manager Bert Simpson figures he can turn back the Douglas Tire squad in this evening's crucial battle.

### ESQUIMALT WINS

Esquimalt A.A. softballers last night turned back Young Liberals 6-2 in the fourth game of the senior "B" play-downs at Central Park. The outcome left the series deadlocked at two games each, with the fifth and deciding fixture billed Friday at Victoria West Park.

Score by innings:  
Esquimalt A.A. 120 002 100-6  
Young Liberals 100 001 000-2  
Batteries—Hough and Evans; Comerford and Milliken.

### CARDINALS TRIUMPH

Cardinals, defending women's champions and pace-setters in this season's pennant chase, were given a real scare last night at Central Park, but finally managed to eke out an 11-10 victory over Bob Whyte's

Adverts. Two runs in the last half of the final inning brought the Cards through to victory and enabled them to stretch their winning streak to ten games.

Score by innings:  
Adverts 022 001 203-11  
Cardinals 010 002 002-10  
Batteries—Florence Kennedy and Ruth Belcher; Isa Milliken and Bing Crosby.

### PURITY, WOMEN'S LEAGUE NINE, WON

by default from Saanichton when the latter team failed to put in an appearance for a scheduled fixture at Central Park.

**FUELMEIN BEATEN**  
With both clubs doing most of their scoring in the last inning, Harknett Fuel softballers dropped a 10-9 decision to the Cameron Lumbers in a "C" section play-off at Victoria West Park.

## Faced Death in Wilds

ALEC Walker (left), sixty-five-year-old machinist, formerly of Victoria, and his partner, Dave Aitken, photographed at Comox last Monday, the day after Walker was brought out by a rescue party from an unnamed mountain in the Forbidden Plateau area. Walker collapsed with an attack of malaria, and Aitken undertook a twenty-

four-hour journey through rough country to Comox to bring aid to his companion. Both men were weak from lack of food and water. Walker was located in a rock fault, raised to the 4,000-foot level on the mountain, and later brought out by the Comox Camp of the Comox Logging Company, and found little harmed by his experience of nearly two weeks outside civilization.

### Annual Fete At "Oakhill" Draws Crowd

The shade afforded by the many fruit trees at "Oakhill," the lovely home of Mr. and Mrs. R. H. Snape, Tattersall Drive, was welcomed by the large gathering of guests attending the garden party held there yesterday afternoon under the auspices of the Church of Our Lord, Free Church of England. Approximately \$100 was realized as a result of the fete, and will be added to the general funds. A gift of money from R. W. Mayhew, M.P., was added to the proceeds.

Rev. W. Spender Darby, rector of the church, opened the fete, and tea was served on the lawn under the direction of the ladies of the church. The garden was beautiful with summer blooms, and the decorated stalls added to the brilliance of the scene. Home cooking was sold by Miss Lloyd, ice cream by Miss Timberlake, and candy by Miss Searrett, while the fancywork stall was managed by Mrs. Martin and the vegetable stall by Master D. Snape.

Many amusements were arranged for the entertainment of the guests, and included a comic picture game

### Weddings

#### DODD-BOYLAN

A quiet wedding was solemnized on Tuesday at 4:30 p.m. in St. Andrew's United Church, Vancouver, when Cananias Ann, only daughter of Mr. and Mrs. S. D. Boylan, Moser Jew, was united in marriage to Mr. M. Keith, W. Dodd, only son of Mr. A. M. Dodd and the late Mrs. Annie Dodd, Victoria. After a short honeymoon in the San Juan Islands, the bride and groom will make their home in Victoria.

#### HAMILTON-McCOY

The marriage of Nora, eldest daughter of Mr. and Mrs. J. F. McCoy, 2510 Richmond Road, and Mr. Fred H. Hamilton, son of Mrs. E. M. Hamilton, Keating, and of the late Mr. Hamilton, took place last evening at 8 o'clock at the residence of the officiating minister, Rev. James Hood, in the presence of members of both families. The bride, who was given away by her father, wore a pretty bolero frock of powder blue "sugar cane" cloth, with a matching turban and tiny veil. Attending her was her sister, Miss Dolly McCoy, in a frock of apricot sheer and a hat in the same shade. They both wore corsage bouquets of carnations. Mr. Percy Hamilton was his brother's best man.

Relatives and a few friends were entertained after the ceremony at the home of the bride's parents, where masses of flowers, of apricot and pink shades, with gypsophylla predominating, were arranged in artistic baskets and vases.

The bride's cake centred the supper table, standing between silver candlesticks holding tall green tapers, and vases of pink carnations. The bridegroom's mother assisted Mr. and Mrs. McCoy in welcoming the guests. After a motor trip on

declared Mayor McGavin, in opening the meeting.

The Mayor referred to a report that Reeve Lockley had some objection to the committee as being without legal standing, and that it "should not rush into anything."

"I don't know whether the official standing of this committee would be improved if we had the whole council of each municipality attend our meetings. I understood that each council had approved the formation of this committee. The four municipalities have legal authority to join in a transportation franchise if they wish, and I do not think the Victoria council wishes to do anything in an independent way that might work to the detriment of its neighbors," Mayor McGavin said.

#### BETTER TRANSPORTATION

"On the other hand," he continued, "I am convinced that the street cars in Victoria have outlived their usefulness, and it is my duty to try to get a better transportation system for our citizens. If any of the adjoining municipalities do not care to work with us, that is their business, but it must be obvious that a joint system would be to everybody's advantage."

The Mayor stated that he did not think there had been much "rushing" by the City Council. He also read a statement by the city solicitor on the original franchise agreement with the British Columbia Electric in 1888, showing that although no time limit was fixed for the operation of street cars outside the city limits, the franchise was only a right to operate cars and not an exclusive right of carrying passengers.

#### WANT MORE TIME

Alderman Williams said that if the three municipalities were a little more time, there was nothing to do but grant it.

Mayor McGavin: "There is nothing to be gained by giving more time—it has been delayed long enough."

Alderman Williams: "The municipalities have not had the same time as the city to give the matter the same thought."

The Mayor pointed out that Saanich and Oak Bay had already made a survey and had their routes all ready. "What is the delay?" he asked.

Reeve Lockley: "This matter was laid on the table previous to the Royal visit."

Mayor McGavin: "At your request."

Reeve Lockley: "You were so busy that you were glad of the request. Now you condemn the council for the delay. We were never sent to this committee, we were invited by the Mayor. We had no status, and could only report back to our councils. Now we are here as the official representatives of our councils, strengthened by their authority."

#### BIG DOCUMENT

He said that he had called a special meeting of the Equimait Council the night before to discuss the tender form and suggested by law. "It is a big document," he declared, "and no legal man—and we are not legal men—could comprehend it fully in a night. I feel we need more time. As far as Equimait is concerned, the British Columbia Electric has perpetual rights. We'll probably have to get in touch with them and see what they want to do."

Alderman Williams: "The enabling legislation gives you legal authority."

Reeve Lockley: "If it is to be a unified system, the tender form will have to be changed considerably. All I am asking is that we be given time to consider the form and our legal standing. We want our own legal opinion, and to compare it with the legal opinions of other municipalities."

Reeve Lambrecht suggested that the councils should get together and so over the form of tender and by-law to suit all requirements.

Reeve Taylor: "Oak Bay takes the same position. There is a lot of meat in those documents, and certain modifications may be necessary if we are to call for tenders. Let us get down to a system of redrafting the form of tender. Our municipal clerk says a lot of changes are necessary. Perhaps the councils could appoint someone to meet the city and draw up a form."

Alderman Morgan said that the tender form had been drawn largely from those in use in Ontario and New Jersey, which were supposed to be "airtight" and had been upheld in the courts. He suggested that if the interests of Oak Bay and Esquimalt were identical, they should get together on it. He pointed out that the various councils had proved the principle of meeting and calling for tenders.

#### PREPARE TENDER FORM

After various suggestions as to who should redraft the tender form, Reeve Lockley moved: "That the matter be placed in the hands of the four municipal solicitors and the four municipal clerks, to prepare a form of tender and submit it to this committee as early as possible." The motion carried unanimously.

In answer to question, F. L. Shaw, city solicitor, pointed out that under the Public Utilities Act passed last Autumn, the chosen tender would have to be submitted to the Public Utilities Commission for its approval, and this should be done before a by-law was submitted to the people.

#### SAANICH PROBLEM

Replying to a question by Reeve Lockley to the standing of Vancouver Island Coach Lines in Saanich, Reeve Lambrecht said: "Other companies would have to tender with or without Saanich. If they want to cover Saanich, it would have to be with the consent of Saanich and the Coach Lines. The Coach Lines has given entire satisfaction to Saanich and would have to be compensated for its investment there should any other company gain the franchise and want to include Saanich. But the problem will work itself out."

The Reeves were in agreement that it was not necessary for the by-law to be drawn up as part of the agreement, but Mr. Shaw said that if the agreement were to be separate it would be a much longer document, and experience had shown that endless litigation resulted when the two documents were separated. "That was the reason for joining them," he said.

Some discussion then took place concerning the question of company profits and control, but it was agreed that this was a matter to be left for later consideration.

Mr. Wirtz gave a well-diversified programme, among the major works in which were the ditty "Poeme des Montagnes," Op. 15, in three movements, and the Franck "Prelude Choral" and "Fugue." Three Couperin compositions, "Sara-bande," "La Fleur," and "La Bourdonnasse," and Rameau's "Bourdon des Sontes" in the first section of the recital, illustrated the classical school, and Satia's "Gymnopédie" (No. 2) and Milhaud's "Trois Bag-Complices," the modern style.

### GOVERNMENT READY FOR ANY EMERGENCY

The debate on the adjournment motion also was preceded by an announcement by Mr. Chamberlain that a further "vigorous protest" had been lodged with Japan against anti-British agitation in North China.

The bitter five-hour debate on adjournment was opened by the Labor leader, Arthur Greenwood, Sir Archibald Sinclair, Liberal spokesman, and Mr. Churchill, who argued that the next two months were likely to be so critical that Parliament should remain in touch with the situation.

#### GROUP LEAVES HOUSE

Feeling grew so heated at one point that a group of Mr. Chamberlain's supporters left the House when Geoffrey Mander (Liberal) rose to speak.

Mr. Mander made one of the most bitter attacks of the day on Mr. Chamberlain.

"The Prime Minister's attitude," he said, "has confirmed the worst fears of all those who think that directly Parliament is up, there will be a tremendous move in the direction of appeasement and that the Prime Minister will do all in his power to bring about a situation which will place us in the gravest danger."

Mr. Chamberlain, replying to the Opposition, declared the fact Parliament was in recess would make little difference on the international situation, and recalled that Germany's annexation of Austria and of Bohemia and Moravia happened when Parliament was sitting.

Attorney-General's Department in Victoria, will appear for the sheriff. A statement of defense from the Attorney-General's Department filed today contains an affidavit from Commissioner T. W. S. Parsons, of the British Columbia Police, in which he says that wholesale evictions of the Doukhobors are likely to precipitate civil strife and involve the destruction of public and private property and to give rise to bloodshed.

At least 3,500 Doukhobors would be evicted, Parsons says, adding that it would be impossible for the sheriff to attempt to execute the writ unless he had the assistance of between 250 and 300 experienced police officers.

#### FORCE NOT AVAILABLE

The commissioner said that at present there is no such force available as it would be impracticable to withdraw such a large number from their detachments and it would be unsafe to attempt execution of the writ with the assistance only of newly-recruited officers.

A sheriff Harper also made an affidavit estimating the number of Doukhobors involved as at least 4,000. Among them, he said, are many persons inclined to acts of violence. He believed execution of the writ would be met with determined and violent resistance and would be followed by sabotage of both public and private property.

#### MORTGAGE FORECLOSED

The property concerned, some 15,000 acres of Christian Community of Universal Brotherhood holdings in the vicinity of Nelson, Grand Forks and Brilliant, is under a \$200,000 mortgage from the Sun Life Company. The mortgage was foreclosed earlier this year.

At Brilliant yesterday a gathering of 2,000 Doukhobors was told by their leaders that they could purchase the lands from the Sun Life Company. The mortgage was foreclosed earlier this year.

The debate on the adjournment motion also was preceded by an announcement by Mr. Chamberlain that a further "vigorous protest" had been lodged with Japan against anti-British agitation in North China.

The bitter five-hour debate on adjournment was opened by the Labor Leader, Arthur Greenwood; Sir Archibald Sinclair, Liberal spokesman, and Mr. Churchill, who argued that the next two months were likely to be so critical that Parliament should remain in touch with the situation.

## GROUP LEAVES HOUSE

Feeling grew so heated at one point that a group of Mr. Chamberlain's supporters left the House when Geoffrey Mander, Liberal, rose to speak.

Mr. Mander made one of the most bitter attacks of the day on Mr. Chamberlain.

"The Prime Minister's attitude," he said, "has confirmed the worst fears of all those who think that directly Parliament is up, there will be a tremendous move in the direction of appeasement and that the Prime Minister will do all in his power to bring about a situation which will place us in the gravest danger."

Mr. Chamberlain, replying to the opposition, declared the fact Parliament was in recess would make little difference on the international situation, and recalled that Germany's annexation of Austria and of Bohemia and Moravia happened when Parliament was sitting.

Annual Fete  
At "Oakhill"  
Draws Crowd

The shade afforded by the many fruit trees at "Oakhill," the lovely home of Mr. and Mrs. R. H. Snape, Tattersall Drive, was welcomed by the large gathering of guests attending the garden party held there yesterday afternoon under the auspices of the Church of Our Lord, Free Church of England. Approximately \$100 was realized as a result of the fete, and will be added to the general funds. A gift of money from R. W. Mayhew, M.P., was added to the proceeds.

Rev. W. Spender Darby, rector of the church, opened the fete, and tea was served on the lawn under the direction of the ladies of the church. The garden was beautiful with Summer blooms, and the decorated stalls added to the brilliance of the scene. Home cooking was sold by Miss Lloyd, ice cream by Miss Timberlake, and candy by Miss Scarratt, while the fancywork stall was managed by Mrs. Martin and the vegetable stall by Master D. Snape.

Many amusements were arranged for the entertainment of the guests, and included a comic picture game

## Weddings

## DODD—BOYLAN

A quiet wedding was solemnized on Tuesday at 4:30 p.m. in St. Andrew's United Church, Vancouver, when Canaris Ann, only daughter of Mr. and Mrs. S. D. Boylan, Moose Jaw, was united in marriage to Mr. M. Keith W. Dodd, only son of Mr. A. M. Dodd and the late Mrs. Annie Dodd, Victoria. After a short honeymoon in the San Juan Islands, the bride and groom will make their home in Victoria.

## HAMILTON—McCOY

The marriage of Mr. and Mrs. J. F. McCoy, 2510 Richmond Road, and Mr. Fred H. Hamilton, son of Mrs. E. M. Hamilton, Keating, and of the late Mr. Hamilton, took place last evening at 8 o'clock at the residence of the officiating minister, Rev. James Hood, in the presence of members of both families. The bride, who was given away by her father, wore a pretty betrothal frock of powder blue "sugar cane" cloth, with a matching turban and tiny veil. Attending her was her sister, Miss Dolly McCoy, in a frock of apricot and a hat in the same shade. They both wore corsage bouquets of carnations. Mr. Percy Hamilton was his brother's best man.

Relatives and a few friends were entertained after the ceremony at the home of the bride's parents, where masses of flowers, of apricot and pink shades, with gypsophylla predominating, were arranged in artistic baskets and vases.

The bride's cake centred the supper table, standing between silver candlesticks holding tall green tapers, and vases of pink carnations were placed at each corner. The bridegroom's mother assisted Mr. and Mrs. McCoy in welcoming the guests. After a motor trip on

WILL BE PREPARED

declared Mayor McGavin, in opening the meeting.

The Mayor referred to a report that Reeve Lockley had some objection to the committee as being without legal standing, and that it "should not rush into anything."

"I don't know whether the official standing of this committee would be improved if we had the whole council of each municipality attend our meetings. I understood that each council had approved the formation of this committee. The four municipalities have legal authority to join in a transportation franchise if they wish, and I do not think the Victoria council wishes to do anything in an independent way that might work to the detriment of its neighbors," Mayor McGavin said.

BETTER TRANSPORTATION

"On the other hand," he continued, "I am convinced that the street cars in Victoria have outlived their usefulness, and it is my duty to try to get a better transportation system for our citizens. If any of the adjoining municipalities do not care to work with us, that is their business, but it must be obvious that a joint system would be to everybody's advantage."

The Mayor stated that he did not think there had been much "rushing" by the City Council.

He also read a statement by the city solicitor on the original franchise agreement with the British Columbia Electric in 1888, showing that although no time limit was fixed for the operation of street cars outside the city limits, the franchise was only a right to operate cars and not an exclusive right of carrying passengers.

"The city and municipalities can put buses in if they like," Mayor McGavin said.

Alderman Williams said that if the three municipalities waited a little more time, there was nothing to do but grant it.

Mayor McGavin: "There is nothing to be gained by giving more time—it's been delayed long enough."

Alderman Williams: "The municipalities haven't had the same time as the city to give the matter the same thought."

The Mayor pointed out that Saanich and Oak Bay had already made a survey and had their routes all ready. "What is the delay?" he asked.

Reeve Lockley: "This matter was laid on the table previous to the Royal visit."

Mayor McGavin: "At your request."

Reeve Lockley: "You were so busy that you were glad of the request. Now you condemn the council for the delay. We were never sent to this committee, we were invited by the Mayor. We had no status, and could only report back to our council. Now we are here as the official representatives of our council, strengthened by their authority."

BIG DOCUMENT

He said that he had called a special meeting of the Esquimalt Council the night before to discuss the tender form and suggested by-law. "It is a big document," he declared, "and no legal man—and we are not legal men—could comprehend it fully in a night. I feel we need more time. As far as Esquimalt is concerned, the British Columbia Electric has perpetual rights. We'll probably have to get in touch with them and see what they want to do."

Alderman Williams: "The enabling legislation gives you legal authority."

Reeve Lockley: "If it is to be a unified system, the tender form must be changed considerably. All I am asking is that we be given time to consider the form and our legal standing. We want our own legal opinion, and to compare it with the legal opinions of other municipalities."

Reeve Lambriek suggested that the councils should get together and go over the form of tender and by-law to suit all requirements.

OAK BAY POSITION

Reeve Taylor, Oak Bay, took the same position. There is a lot of meat in those documents, and certain modifications may be necessary if we are to call for tenders. Let us get down to a system of redrafting the form of tender. Our municipal clerk says a lot of changes are necessary. Perhaps the council could appoint someone to meet the city and draw up a form."

Alderman Morgan said that the tender form had been drawn largely from the use in Ontario and New Jersey. They were supposed to be "airtight" and had been upheld in the courts. He suggested that if the interests of Oak Bay and Esquimalt were identical, they should get together on it. He pointed out that the various councils had approved the principle of meeting and calling for tenders.

PREPARE TENDER FORM

After various suggestions as to who should redraft the tender form, Reeve Lockley moved: "That the matter be placed in the hands of the four municipal solicitors, to prepare a form of tender and submit it to this committee as early as possible." The motion carried unanimously.

In answer to question, F. L. Shaw, city solicitor, pointed out that under the Public Utilities Act passed last Autumn, the chosen tender would have to be submitted to the Public Utilities Commission for its approval, and this should be done before a by-law was submitted to the people.

SAANICH PROBLEM

Replying to a question by Reeve Lockley as to the standing of Vancouver Island Coach Lines in Saanich, Reeve Lambriek said: "Other companies would have to tender with or without Saanich. If they want to cover Saanich, it would have to be with the consent of Saanich and the Coach Lines. The Coach Lines has given entire satisfaction to Saanich and would have to be compensated for its investment there, should any other company gain the franchise and want to include Saanich. But the problem will work itself out."

The Reeves were in agreement that it was not necessary for a by-law to be drawn up as part of the agreement, but Mr. Shaw said that if the agreement were to be separate it would be a much longer document, and of experience had shown that endless litigation resulted when the two documents were separated. "That was the reason for joining them," he said.

Some discussion then took place concerning the question of company profits and control, but it was agreed that this was a matter to be left for later consideration.

Approve Progress  
Of Elevator Work

Work on the installation of the elevator at the Aged and Infirm Women's Home, which is in progress, was approved with satisfaction by the committee of the home at its monthly meeting held on Tuesday afternoon. The ordinary routine business was attended and all accounts incurred for the month were ordered paid.

In the absence of Mrs. Clay, the president, who is ill, the chair was taken by Mrs. F. W. Vincent, first vice-president. The committee for the month includes Mrs. David Scott as convener, Miss E. O'Brien and Mrs. W. Grant.

## Clubs—Societies

## Malahat W.A.

The W.A. to the Malahat branch Canadian Legion held its monthly meeting in the Recreation Hall, Bamerton, Mrs. A. A. Sutton presiding. The secretary was instructed to write Mr. H. P. Wolf, thanking him for his donation of ice cream for the picnic, also a letter of thanks to Mrs. W. Fish for her donation to the W.A. of a buffet set. In connection with the sports day, a donation was voted for children's prizes. Mrs. Sutton was put in charge of the cooking stall and Mrs. Davidson the jumble stall. One new member, Mrs. C. S. Gardiner, was admitted. The ladies served refreshments.

## Wilkinson Road W.M.S.

There was a very good attendance at the monthly meeting of the Women's Missionary Society of Wilkinson Road United Church on Tuesday afternoon in the Sunday school hall. Mrs. E. Boorman presided. Miss Blanche Ward, Vancouver, was the guest speaker and gave a vivid word picture of her trip through Palestine, and told of the great need of workers in China. A vote of thanks to the speaker was expressed by Mr. W. Allison. The September meeting, which will be held in the church, will be convoked by Mrs. D. W. Phillips and Mrs. L. Scott.

Rebekah Lodge

Carnie Rebekah Lodge, No. 45, I.O.O.F., will hold its regular meeting tonight in the Odd Fellows' Hall. Plans will be completed for a picnic to be held at Cordova Bay on August 16.

New York Pianist  
Gives Programme

Yesterday afternoon at the International French Camp at Strathcona Lodge, Shawanigan Lake, Warren J. Wirtz, a young New York pianist, gave a much-enjoyed recital of music by French composers for an audience that included a number of visitors, in addition to the student body of fifty.

Mr. Wirtz gave a well-diversified programme, among the major works in which were the d'Indy "Poeme Montagne," Op. 15, in three movements, and the Franck "Prelude Choral et Fugue." Three Couperin compositions, "Sarabande," "La Fleurie" and "La Bourdonnante," and Rameau's "Rondeau des Songes" in the first section of the recital, illustrated the classical school, and Satie's "Gymnopédie" (No. 2) and Milhaud's "Trots Rag-Caprices," the modern style.

Attorney-General's Department in Victoria, will appear for the sheriff. A statement of defence from the Attorney-General's Department 21-22 today contains an affidavit from Commissioner T. W. S. Parsons, of the British Columbia Police, in which he says that wholesale evictions of the Doukhobors is likely to precipitate civil strife and involve the destruction of public and private property and to give rise to bloodshed.

At least 3,500 Doukhobors would be evicted, Parsons says, adding that it would be impossible for the sheriff to attempt to execute the writ unless he had the assistance of between 250 and 300 experienced police officers.

## FORCE NOT AVAILABLE

The commissioner said that at present there is no such force available as it would be impracticable to withdraw such a large number from their detachments and it would be unsafe to attempt execution of the writ with the assistance only of newly-recruited officers.

Sheriff Harper also made an affidavit estimating the number of Doukhobors involved as at least 4,000. Among them, he said, are many persons inclined to acts of violence. He believed execution of the writ would be met with determined and violent resistance and would be followed by sabotage of both public and private property.

## MORTGAGE FORECLOSED

The property concerned, some 15,000 acres of Christian Community of Universal Brotherhood holdings in the vicinity of Nelson, Grand Forks and Brilliant, is under a \$200,000 mortgage from the Sun Life Company. The mortgage was foreclosed earlier this year.

At Brilliant yesterday a gathering of 2,000 Doukhobors was told by their leaders that they could purchase the lands from the Sun Life without opposition from the leaders. John Verigin, seventeen-year-old grandson of the late Peter Verigin II, and his great-grandmother,

## Social and Personal Here From London in Less Than Week

### Were Hostesses

Honoring their sister-in-law, Miss Doris Hicks, whose marriage to Mr. K. I. H. Elliott will take place this month, Mrs. W. V. Hicks and Mrs. Sidney Hicks were hostesses at a miscellaneous shower last evening at the home of the former's mother, Mrs. S. Herrin, 1828 Montleth Street. The reception rooms were decorated with stocks, larkspur and cypripedium. Miss Hicks was presented with a corsage bouquet of carnations and sweet peas, and received the gifts in a large box gaily decorated with blue and yellow crepe paper. Games were played and prizes awarded to the winners. A bridal motif was used for the centerpiece of the supper table, the tiny bride and groom being surrounded by fragrant blooms, and lighted by pink tapers. The guests were Mesdames T. Warder, J. P. Hicks, S. Herrin, Frank Morgan, Norman Ford, K. Parsons, F. Elliott, Gordon Brown, Arnold Wilkinson, W. Gittens and Misses Hilda Parkinson, Dorothy Dodge, Lily Northam, Betty Cosh, Kay Elston and Gertrude Taylor.

### Entertained at Shower

Mrs. J. Britton and Mrs. T. Appleby were hostesses on Tuesday evening at a miscellaneous shower at the home of Mrs. Appleby, Henry Street, in honor of Miss Alice Audrey Burton, who is to be married shortly. Rosebuds were presented to the guest of honor, who later received the gifts which lay at the base of a lighted standard lamp and were attached by colored streamers to the mauve and pink parasol which shaded the lamp. Mesdames R. Burley, J. Kirk, A. Van Alphen, F. Burley and D. Mills were the winners of the games. The bride's cake, decorated with a large engagement ring, formed the centerpiece for the table from which a buffet supper was served. The guests were Mesdames W. H. Steen, P. Rogers, A. Linskill, R. Burley, F. W. Kendall, Erickson, J. Baxter, B. Kendall, A. Fraser, E. Haisala, J. Kirk, A. Van Alphen, G. Burton, F. Burley, D. Mills, G. R. Burton and Misses Irene Davis and Dorothy Kendall.

### Make Presentation

Mrs. Arthur Leason, 1914 Lulu Street, entertained the members of her bridge club last night in compliment to Miss Marjorie Margison, a bride-to-be this month. The living-room was decorated with nasturtiums, sweet peas and gladioli. The guest of honor was given a

corsage bouquet of pink gladioli and mauve sweet peas. During the evening Miss Margison was presented with a coffee table, to which was attached a card bearing the names and good wishes of her friends present. A buffet supper was served after bridge. Mrs. A. Trotter presided at the table, which was arranged with a silver bowl of pink and mauve sweet peas and lighted by silver candles in matching holders. Those present were Mesdames A. Trotter, Wilfrid Hughes, William Barber and Misses Marjorie Margison, Flora Hughes, Eleanor Aaronson, Peggy Brindle, Jean Munro, Doreen Loughheed, Jean Wilson, Alice Skellern and Molly Humphries.

### At Tennis

Among the visitors watching the British Columbia tennis championships at the Victoria Lawn Tennis Club yesterday were Mrs. Moran, of Santa Monica, whose daughter, Miss G. Moran, is playing in the tournament; Mrs. Gurley, Sacramento, mother of Helen and Jack Gurley; Mrs. Cheney, Los Angeles, whose husband and son, Dr. Cheney and "Chuck" Cheney, are playing; Miss F. Sutton, Santa Monica, aunt of May Dock; Mrs. Brooks, Santa Monica, mother of Joanne Brooks; Mrs. Hall, Los Angeles, mother of Dr. Esther Barlow; Mrs. Larry Hall, Bakersfield, whose husband is playing; and Mrs. Catton, Alameda, mother of Shirley Catton.

### Noted Singer Expected

Vivian Della Chiesa, one of America's leading sopranos, who appeared in Vancouver with John Charles Thomas and an augmented orchestra under the direction of the Viennese conductor, Fritz Kitzinger, last evening in the Stanley Park Bowl, is arriving this afternoon on a few hours' visit before taking the late afternoon boat to Seattle. She is accompanying Mr. Brian Burdon-Murphy, Marlborough Street, who went over from Victoria to attend the Festival of Musical Comedy in which she starred. A drive has been arranged for her by Mr. Richard Hoyle and Mr. Burdon-Murphy.

### Is Tea Hostess

Miss Alma Russell, 1288 Victoria Avenue, was hostess at the tea hour yesterday afternoon, when she entertained about twenty-five guests in honor of Mrs. W. Sanders Davies, New York City, who is visiting Victoria for a few weeks; and Mrs. Harper and Miss Doris Harper, who returned from England recently after

Dr. and Mrs. David McKenzie and their four-year-old son, Jimmy, photographed in the grounds of the Oakbay Beach Hotel yesterday, left England by the S. Normandie on Wednesday, July 26, and by flying from New York, reached Seattle five and one-half days later, with time in the interval to attend the theatre in New York. They arrived in Victoria on Tuesday, and will be here two or three weeks before beginning their more leisurely homeward journey. Mrs. McKenzie is the daughter of Dr. and Mrs. Alexander Robinson, 1900 Argyle Road, with whom the little grandson, Jimmy, is staying. Dr. and Mrs. McKenzie went to live in England soon after their marriage here six years ago.

### Several Years' Absence

CHAPTER XXII  
"But—your didn't," Elizabeth said impulsively, and then added hurriedly, "I'm sorry. I shouldn't have said that."  
"No," Lawless agreed. "You should not—because you do not know the facts, and obviously I cannot tell you—not that you would believe me if I did. Shall we go back to the house?" His voice was now coldly polite.

She looked at him uncertainly, conscious that she had hurt him, that she had hurt herself also, wondering in bewilderment why it should be possible to say unkind things to someone when deep down in your heart there was no such intention.

Suddenly as he turned from her, she spoke his name breathlessly.  
"Mr. Lawless."  
"Yes!"  
"I'm—so sorry," she said, penitently.  
"I'm sorry, too—for many things," he answered ruefully.

Her beautiful eyes softened. "Then 'Can we be friends after all?'"  
"Can we after all?" he questioned, but he smiled. "In spite of everything?"  
"Yes, I think we can," she said confidently. "In spite of everything." Impulsively she laid her hand in his.

"Then, as the Indians say, there is peace in our camp," Lawless said. Elizabeth nodded.  
"I like that," she echoed the words softly. "Peace in our camp."

They looked at each other happily, and it was Elizabeth who spoke the thought which was in both their minds.  
"I'm so glad you came."  
"Thank you, I'm glad, too."

She glanced at the little weeping figure of Cupid on the sun dial, and quickly away, and, as if he could read her thoughts, Lawless said:  
"There is another motto which one often sees on sun dials: Keep your face to the sunshine and the shadows will fall behind you." He drew her hand through his arm.

"So we'll turn our backs on our painful history, shall we?"  
"It's a lovely garden," Elizabeth said.  
"And there's a new moon."

Lawless stood still, releasing her. "Then we must turn our money."  
"I haven't any with me."  
He dived into his pocket and gravely produced sixpence, which he put into her hand.

"Turn it and wish! The humble penny will do for me. Now, then!"  
He spun his coin into the air and caught it again, but when Elizabeth tried to follow suit her sixpenny-bit rolled away into the yew hedge.

Lawless stooped to recover it. "Some people do have clumsy children."  
She laughed as he put the coin back into her hand, and there was a moment of silence before he asked, "Have you wished?"  
"Yes."

They looked at each other gravely, as if it were a matter of great importance, and suddenly they both said in the same breath, "I hope it comes true!"  
Barbara Selby came running across the lawn towards them.

"You're wanted on the telephone, Elizabeth," she called. "It's Miss Thornley."  
"I hope nothing is the matter," Barbara went on breathlessly, as they sped across the lawn together. "It would be too bad if you had to go back home when you've only just come."

There was a faint feeling of apprehension in Elizabeth's heart as she picked up the receiver.  
"Hello!"  
Miss Thornley's voice sounded a little harassed as she answered. "Is that you at last? I've had a telegram from Paris—you know Penelope was spending the week-end there before going on to Italy? Yes, well, she's ill—very ill, so the message says—and they think I ought to go to her. I don't know whether you feel you'd like to come too. If

## Detroit Chalks Up Another Win Over Pace-Setting Yanks

**Tigers Hand Athley-Donald First Defeat of Season By Scoring 7-2 Triumph—Boston Red Sox and Cleveland Divide—Giants Turn Back Cincinnati Reds—Pirates Blank Dodgers**

By The Canadian Press  
Disaster caught up with Rookie Athley Donald yesterday, handing him his first defeat, instead of his thirteenth victory as the bloodthirsty Detroit-Tigers stopped the Yankees again, 7-2, at New York.

Donald was baited out of the box in Detroit recently, but escaped responsibility for the loss. Today the Tigers tore into his offerings for seven hits and six runs before bringing about his removal for a pinch hitter in the fifth.

Detroit's heavy artillery was supported by the seven-hit pitching of Schoolboy Rowe, who showed flashes of his finest form. He was ahead of nearly every batter and struck out three in the seventh inning.

The "thirteen" jinx also snared Joe DiMaggio, who went hitless after a twelve-game streak.

At Boston the Red Sox kept alive their flickering pennant hopes by pushing across two runs in the eighth for a 5-4 victory over Cleveland in the nightcap of a double-header, after Boston lost the first game, 8-2.

**SLICES MARGIN**  
The Sox picked up half a game on the league-leading New York Yankees, whom they now follow by seven and a half games.

Washington made it two straight over St. Louis as Dutch Leonard pitched a four-hit game to win 2-1. It was the big knuckleballer's eleventh victory, and he would have had a shutout except for his own miscues in the seventh.

At Philadelphia, the Chicago White Sox and the Athletics divided a double-header, the Sox striking back 2-1 after being walloped 13-4 in the first game.

**REDS BEATEN AGAIN**  
In the National League, the New York Giants humbled Cincinnati's league leaders again, 12-2, on the five-hit pitching of young Bill Lohrman, who also had beaten the Reds in his last two starts against them.

Besides subduing the rampant Reds with his hurling, Lohrman participated in the seventeen-hit attack on three opposing pitchers with a double and two singles, batting in four runs.

Every player in the New York lineup hit safely, and working together they bunched two big innings off Gene Thompson before he was replaced by Ray "Peaches" Davis in the sixth.

The victory lifted the Giants into fifth place with a budding winning streak of four games after losing eleven of their previous twelve contests.

In Pittsburgh, the Pirates set a heavy foot down on the Brooklyn Dodgers' hopes of getting into the first division with a 6-0 shutout on Joe Bowman's clever five-hit hurling. The scheduled Philadelphia attack at Chicago and Boston at St. Louis games were postponed because of rain.

## Juniors Will Be Guests Today at Tennis Tourney

VICTORIA Lawn Tennis Club will have as its guests at today's quarter-finals of the British Columbia tennis championships, junior netters of Greater Victoria. Young players attending the coaching classes will be admitted by showing their class registration cards at the gate. Play will open at 1 o'clock, and from that time on club juniors and those receiving instruction from Coach Terry Peers will be guests for the day.

## LARGE FIELD WILL COMPETE IN BIG MEET

**International Tennis Stars To Play in Tournament At Duncan**

DUNCAN, Aug. 2—Tennis history will be written in this little city north of the British Columbia capital next week, when the Pacific Northwest sectional championships will be staged on the courts of the Duncan Lawn Tennis Club. The sectionals will be held in conjunction with the annual Vancouver Island title events, and will attract leading netters from all of the major clubs in Oregon, Washington and British Columbia.

The P.N.W. fixtures will open on Tuesday, August 8, and the finals will be held on Thursday, August 10. The Vancouver Island championship tournament will get under way on August 9 and will conclude with the finals on August 12. Competitors in the sectionals will also compete in the Island events.

Many of the ranking Californians now playing in the British Columbia championships at the Victoria Lawn Tennis Club courts have filed their entries for the tournament, and when the deadline is reached on Monday, August 7, Secretary N. R. Staples will probably have a record entry.

Miss Sude Milne, Vancouver, is expected to defend her singles title, but in the men's singles a new champion is sure to be crowned, as Bob Carrothers, of Coronado, will not be on hand.

In addition to the P.N.W. sectionals and the Island open events, handicaps are listed on the attractive schedule. Veterans' doubles for women and men are also included. The present holders of the women's veterans' doubles championship are Miss Mildred Lawson, a former British Columbia singles titleholder, and Mrs. J. C. MacDonald, of Victoria. Many social activities are planned during the week, with the tournament dance at Maple Inn on Friday, August 11, as the highlight of a busy programme. All visiting players will be guests of the Duncan Tennis Club at the dance.

## Playing in Tennis Tourney Here

SNAPPED by The Colonist camera during a rest between matches in the British Columbia championships now in progress at the Victoria Lawn Tennis Club courts, Fort Street, Dr. Esther Barstow, Los Angeles; Shirley Catton, Alameda, and May Hope Doug, three-year-old netter, in Western Canada, Oregon State, Washington State and Pacific Northwest section, and seeded No. 1 in the provincial meet here. Picked by close observers to go a long way in the local tournament, Shirley Catton was defeated yesterday by diminutive Cecilie Miner, Long Beach, in one of the two upsets witnessed during the day. Play will continue today, tomorrow and Saturday, and followers of the net pastime should witness some excellent tennis before the 1939 titleholders are crowned.

## Fred Acres Hurls Pitzer and Nex to Win Over Birdmen

**Young Mound Ace Pitches Clubmates to 5-0 Victory in Deciding Game of Preliminary Baseball Play-Downs for City Championship—Gasmen Errorless Before Large Crowd**

RING on the Athletics! That was the cry of Manager Bert Pitzer's rambling Pitzer & Nex ball tossers last night at Royal Athletic Park. Immediately after they finished polishing off the Eagles, 5-0, in the fourth and final game of the preliminary play-downs for the Rithet Cup, symbol of the city baseball championship.

On the short end of the pre-series, wazermen made a real job of their preliminary evening in the battle for the city pennant by knocking over the birdmen, 1938 champions, in four games. They won the initial fixture, 6-5, and made it two straight with a 5-2 decision in the second game. Eagles prolonged the series Monday evening when they battled to a 7-7 tie in the third tussle, but there was little doubt as to the outcome last night after the gasmen gang set up a four-run lead in the first four frames.

Definitely the better club in the play-off, Pitzer & Nex turned in an errorless exhibition last night behind the brilliant four-hit pitching of young Fred Acres, diminutive mound star. The victory advanced Pitzer & Nex to the finals against the top-pitched Athletics, with the series scheduled to get under way Monday evening at the Caledonia Avenue ball lot. Finalists with the Eagles in last season's series, the A's will have their hands full with the flashy gasmen and will enter the finals on the short end of the wazering.

Standing out like a bright star in the dark heavens, Fred Acres, Pitzer & Nex pitcher, hurled championship ball against a worried Eagles' bullpen. The slightly-built right-hander had the birdmen eating out of his hand all of the way, and only gave up a quartette of widely-scattered base hits. In rare form, the gasmen's ace twirler had good control, a variety of offerings and the coolness of a veteran. Never in a bad club all evening Acres handcuffed the Eagles' batters just as securely as any bluecoat would handcuff a prisoner.

Birdmen found base hits hard to get, and as a result few men ever got on the base. Only one player got around to the hot corner, while only three members of the Eagles

even reached the keyhole bag or halfway station. Six men went as far as the initial cushion. In five of the eight innings the Eagles' retired in order.

Sound defensively, gasmen were the better club on the offensive, punching out seven safeties from the offerings of humpy Harry Harding, feathered tribes' finger. The Eagles' pitcher bunched into all of his trouble in four frames, and then pitched no-hit ball for the second half of the journey. But the damage was done, and not even Harding's fine hurling could rub out the four Pitzer & Nex runs and the early miscues made by his teammates.

### OPENS SCORING

Gordie Jones, speedy fly-shagger, punched out his second single of the ball game in the second inning, when the sacks were populated, and sent John Murray and "Pee Wee" Rabey scampering across the home plate for the first runs of the evening. Gasmen bagged another tally in the third, when Art Chapman scored from the keyhole bag when Al Gordon, birdmen's first-sacker, lost the ball in the sun on a throw from Murray at the hot corner in the fourth the eventual winners poked out three singles and made them good for one run. They wound up their scoring in the eighth inning.

Johnny Murray pulled off three spectacular catches, racing almost to the third base bag to pick up foul fly back, Lorne Murray, a brother, made the evening's most sensational "winning" play when he raced in behind second base and threw Danny Paine out at the initial cushion.

**SECOND DIVISION**  
Navy second division players will make their second appearance of the week tonight, when they travel to Oak Bay Park to oppose Oak Bay in a Humphreys Cup fixture. At Beacon Hill, Pitzer & Nex will be at home to the Brown Bombers. Games will commence at 6:15 o'clock. Tomorrow, at Royal Athletic Park, touring colored House of David ball tossers will open their three-game exhibition series with the Victoria All-Stars. The game will get under way at 6:15 o'clock. Saturday the clubs will play a twin bill, with the first game at 2:30 o'clock and the nightcap at 6:15 o'clock.

## DEFEAT RADIALS 3-2 IN SECOND FIXTURE; 3,000 FANS AT PARK

**Ron Castonguay Sparkplug of Carsteel's Close Victory Over Vancouver Eleven in Dominion Cup Football—Radials Leading, 2-0, at One Stage, But Falter Badly in Final Half**

By WALLY HILTON  
Canadian Press Staff Writer  
WINNIPEG, Aug. 2 (AP)—Montreal Carsteel proved their calibre tonight when they came from behind to defeat Vancouver Radials, 3-2, in the second of the best-of-three series for the Dominion Football Association championship. Carsteel took advantage of the few opportunities presented them after being two goals down midway through the second half. The first game Monday ended in a 2-2 draw.

Vancouver had the ball in Carsteel territory fully three-quarters of the game, and appeared to have the game in the bag when suddenly the Montrealers came to life and within seven minutes had scored enough goals to overcome a 2-0 deficit and win a well-deserved victory.

Little Ron Castonguay, left-winger for Carsteel, was the sparkplug in the Easterners' attack, and his every rush was a menace to Radials. He almost scored from thirty-five yards out on a foul kick and passed to brother Paul for the second Montreal goal. His tricky footwork and well-placed passes were greeted with loud applause from the 3,000 spectators.

### FIRST HALF

Vancouver won the toss. A strong cross wind was blowing as the teams kicked off. Tommy McKibbin, Radials' left back, was injured in a collision with Marcel Castonguay after three minutes. Carsteel, after repairs, Ron Castonguay had the first shot on Vancouver's goal, but Bill Watson tipped it over the bar.

It started to rain at the twelve-minute mark and the ball got a little slippery. Hugh Greer drove one from twenty-five yards, just went over the bar, with Gordon Carsteel's netman, out of position. Vancouver had an edge on mid-field exchanges and kept the Carsteel defence on the hop. From a foul Greer almost scored on a header with fifteen minutes gone.

Play was slow, with players on both teams sticking close to their cheeks. Jack Johnson had a shot at the Carsteel goal, but it went wide. Vancouver pressed hard, but Carsteel's defence held them. Hap Smith drove a sizzler from the left side which was too much for Gordon Carsteel to handle. But it hit the post and Greer almost caught the corner with a header on the rebound at the thirty-five-minute mark.

Vancouver had two shots at the goal in rapid succession, but Lady Luck was not with them and both shots bounded back into play off the crossbar. Radials put on the pressure and shots rained on the Carsteel goal, but Gordon was equal to the occasion and cleared them all. Jack Johnson scored the first goal of the game at the forty-one-minute mark with a beautiful shot from twenty-five yards out on a pass from Johnny MacKay.

### SECOND HALF

The second half started under the floodlights and from the kick-off Radials roared down and made Gordon save. Hap Smith drove a hot one at Gordon, who just got his foot on it and it went past his feet for a corner kick. Time was taken out while a new ball was put in play. After ten minutes players

complained that the first ball was too soft.

Bill Craig went in to replace Al Dezhak at inside right for Carsteel at the fourteen-minute mark. Radials were still pressing and it was seldom up to this time the ball entered Vancouver territory. Hap Smith scored the second Radials' goal at the seventeen-minute mark when he took a perfect pass from MacKay and drove the ball into the rising. Ron Castonguay took a foul kick from thirty-five yards out and forced Watson to tip the ball over the bar to save. Just a minute later Bill Chambers scored for Montreal from a close-in shot, making it 2-1 for Vancouver.

Johnny Cameron replaced Marcel Castonguay on the right wing for Carsteel at his twenty-two-minute mark. Ron Castonguay raced down the left side and passed to brother Paul, at the twenty-five-minute mark, who beat Watson to make the score 2-2. Kerfoot was sent in to replace Liprot. Bill Craig made it 3-2 for Montreal two minutes later when he headed one past Watson from close in.

**RADIALS OFF FORM**  
Carsteel were playing a kick-and-rush game, which disappointed Radials' attack. Greer was right in with only Gordon to beat and shot wild. George West went in for Greer, Smith, right back for Radials, with about ten minutes to go. Montreal were running Vancouver into the ground and Watson had his work cut out for him in the Vancouver goal. The game ended with Montreal still pressing.

Line-ups:  
Montreal—Goal, Gordon, backs, Epstein and White, halfbacks, Lundsen, Low and Leah, forwards, R. Castonguay, Dezhak, P. Castonguay, Chambers and M. Castonguay.

Vancouver—Goal, Watson, backs, McKibbin and G. Smith, halfbacks, Cowan, Camp and John Johnson; forwards, Jack Johnson, MacKay, Smith, Greer and Liprot.

Referee—H. Gillespie, Winnipeg.

## Seeded Stars Lose In Women's Singles In Provincial Meet

**Helen Gurley and Shirley Catton Beaten by Jean Milne and Cecile Miner in British Columbia Championships—Amark Advances to Quarter-Finals in Men's Singles**

A pair of surprise victories were posted on the big score board at the Willows courts, home of the Victoria Lawn Tennis Club, yesterday, as eliminations continued in the annual British Columbia championships as a sweltering heat sprayed the grounds.

Miss Helen Gurley, Sacramento, seeded No. 2 by officials, went to the side lines before the fine shotmaking of Miss Jean Milne, Vancouver, in a two-and-a-half-hour battle, which was decided in three sets. Shirley Catton, young miss from Alameda, ranked third, had her title hopes shattered during the day when she bowed to another diminutive star of the courts, Miss Cecile Miner, Long Beach, in another three-set struggle, which took plenty of time.

Miss Milne eliminated the Southern tennis player by scores of 2-6, 6-3, 6-2, a match which was much closer than the scores really indicate, while Miss Catton's setback came by figures of 6-2, 3-6 and 6-4 at the hands of Miss Miner. The Vancouver player's victory moved her into the round of eight, and her next opponent will be the survivor of the match between Eleanor Young, also of Vancouver, and defending titleholder, who did not play yesterday, and Jean Murphy, of Los Angeles. Neither Miss Miner nor Miss Milne were given a ranking in the tournament.

**SEEDED STAR WINS**  
Eddie Amark, San Francisco, top listed star, won in straight sets from R. A. Phillips, Victoria, 6-2, 9-7, while Bill Hoogs, Honolulu, dropped only four games in ousting Hank Bennett, local junior. Bill Reedy, Beverly Hills, sprang a mild upset by downing P. Guilford, Los Angeles, in straight sets by scores of 6-1 and 6-4. In the only extra set match yesterday, Tom Brown, San Francisco, beat out D. Sullivan, 6-8, 6-4 and 6-1.

Quarter-finals were reached in all events, while in the women's doubles the combinations reached the semi-finals.

## TEACHERS TAKE HEALTH STUDY

Medical Service Department  
At Summer School Is a  
Busy Centre

One of the very busy sections of the Summer School of Education during the past few days has been the Medical Service Department.

In charge of the city school medical inspector, Dr. J. L. Murray Anderson, and his assistant, Miss Herbert, this is the first time this service has been conducted in connection with the school. Its function has been to supply advice and free health literature, to conduct T.B. tests and other types of physical examination for those wishing it, and to give St. John Ambulance and first-aid instruction. The announcement last week-end that smallpox vaccination would be provided for students gave a fresh spurt of activity to the department this week, and the clinic on the second floor has been unusually busy.

The service has been particularly popular with the teachers of the rural schools. For not only do they have to teach health, but very frequently, in the more isolated communities, they are looked up to as authorities on sanitation, health and various branches of social service, and are called upon to supply all manner of information along these lines.

**APPRECIATE SERVICE**  
They also, says Dr. Anderson, realize how cut off they are from organized health services. They appreciate, therefore, the importance of physical fitness both in themselves and in the children in their charge. In some of the remotest districts there is neither doctor nor health nurse, and while in health matters the teacher may possess no definite authority, he may, if he suspects any health disability in a pupil, advise the parents to take the child where it can get proper medical advice.

Classes in first-aid are part of the health service. About forty students have been taking the course leading to St. John Ambulance certificate which enables the holder to teach the subject in school.

The health department has given generous supplies of pamphlets on nutrition, diet, milk, habit-forming in children, sex hygiene and sanitation. These have been much in demand by the teachers. One of the new booklets put out by the department contains a series of radio talks on health.

**THE "COMMON" COLD**  
"In talking over their problems with them, we have found teachers from the rural areas very generally interested in the problem of how to isolate the common cold," Dr. Anderson reported. "Teachers also feel the need of more frequent visits to their schools of health nurses, and this suggests the necessity of extended health organization in the rural areas." He stated, adding that the Provincial Health Department was ready to do this just as soon as they were assured of the co-operation of the local authorities in the different rural areas.

Dr. Anderson throughout the last five weeks has been lecturing for an hour each afternoon on child welfare problems, habit-forming and training problems re food habits, temper tantrums, fear and nervousness in the child, dishonesty, disobedience, untruthfulness and growth and development of children, physically, mentally and emotionally.
